

Good Shepherd Day School Summer Camp

10 for 10 Referral Program

Planning on attending GSDS Summer Camp? Interested in paying less for camp? Refer a brand-new family to summer camp and you **AND** the new family will receive 10% off your camp fees! (Registration fee on \$25 not included.) If you refer 2 brand-new families, you'll receive 20% off and they will each receive 10%. And so on! Refer 9 families and your camp fees will be 90% less!! Take advantage of this while you can!

If you're referring a family: please know the family must be new to GSDS and to GSDS summer camp. You must complete the *10for10 Referral* part of the summer camp registration form. There's a discount code on the registration form that will deduct the 10%. BOTH the referred and the referring families must register for the discount to take effect. Thank you for the referral!

If you're the referred family: Please indicate that you were referred on the registration form. Use the discount code to deduct the 10% off your camp fees. Please note, if the family who referred you does not register, then your discount will be null and void. Both families must register to activate this discount. Thank you and welcome to GSDS summer camp!
